Developer Student Clubs

K S School of Engineering and Management

Developer Student Clubs are university-based community groups for students interested in Google developer technologies. Students from all undergraduate or graduate programs with an interest in growing as a developer are welcome. By joining a DSC, students grow their knowledge in a peer-to-peer learning environment and build solutions for local businesses and their community.

Every year, Google selects Leads all around the world, Developer Student Club Leads are passionate leaders at their university who are dedicated to helping their peers learn and connect. These Leads may be pursuing various degrees but have a good foundational knowledge of software development concepts.

Google collaborates with DSC Leads once a year who are pursuing an undergraduate or graduate university degree and supports them as they start and grow their on-campus community. With this collaboration, DSC Campuses get amazing benefits to learn and grow as a community and build innovative solutions to problems through futuristic technologies.

Developer Student Clubs KS School of Engineering and Management is one of the **275** campuses in India to be a part of Developer Student Clubs.

DSC Core Team with Faculty Adviser

**Faculty Adviser:** Mr. Pradeep K R, Asst. Professor, Dept. of CSE, KSSEM

Student Core Team Members:

Sameera Kashyap
DSC Lead

2. 30 Days of Google Cloud

days of a Google cloud was an [exc]iting event from DSC to all DSC [cam]puses, students were given a [cha]nce to learn about Google cloud [and] cloud technologies by completing [qu]ests which consist of labs with [tas]ks to complete, completing this [gave] students "Skill Badges" and [stu]dents who completed 6 Skill [Bad]ges had the opportunity to win amazing prizes from Google.

DSC KSSEM witnessed overwhelming participation and enthusiasm from its student community, With the help of the *Cloud Facilitator, Sameera S Kashyap,* more than 50 plus students were able to complete the challenge and gain the experience of working with cloud technologies, which made the event a huge success.

3. Become a Web Wizard

"Become a web wizard" was a fun event organized by DSC KSSEM on the DSC Events platform, more than 100 students registered for the event.

The event covered the most fundamental concepts of the web and the tools and technologies used to develop websites. The event was led by the *DSC KSSEM Web Lead, Parinita Vedantam,* the event received amazing feedback and response for the quality of content that was covered. Students truly learned the basics of the Web and how they could start their journey as a web developer.
