Day – 3:

Talk on: Importance of Education

Speaker: Mr. Shreedhar N, MBA, KSSEM

Education has the power to change the world. Provided in the right manner to the right individuals, it can help thrive not only individuals but also the nation's growth. It can help them grow, develop, and prosper in their professional as well as personal careers. Furthermore, it is needed in every walk of life, which makes it even more important. Be it in the professional world, or the research area, education is the foundation for all.

To develop, and build sympathy, empathy, and respect for fellow humans, it is important for every individual to gain a basic education. It helps us balance things out, grow together, and make decisions that interest everyone in society. Further, it helps society live a peaceful, and growing life together.

Prof. Shreedhar has narrated the importance of education in ones life with eye catching examples which made the participants to think of enhancing their skill sets.
