Report

The Department of Civil Engineering, K S School of Engineering and Management had organized a One Day visit to "ACE 2022", international architecture and construction materials fair in Bengaluru on 14th of October 2022 for fifth and seventh semester students. 55 students along with 2 faculty attended the visit.

ACE-2022 was organized by Economic times from 6th to 8th October 2022 at Bangalore International Exhibition Centre located at NH-4, Tumkur Road, Bengaluru, India. ACETECH is Asia's leading trade fair for architecture, building materials, art and design, the third-of-its-kind in the world..

Our unique forum offers opportunities to not just exhibit, but also to create a long-lasting impression on the decision-makers of the architectural industry. Over 15 years, we've evolved as a brand with the nation; better cater to the needs of a young & developing India.

Each year, ACETECH platform witnesses the finest national and international brands, eminent architects, real estate developers, hoteliers, equity investors, builders, engineers and designers from India and around the world.

Objectives of the Visit:

- To make the students aware of the varieties of construction materials used all over the world.
- To make the students aware of the modern equipments, tools and latest techniques used in the construction field.

Outcomes of the Visit:

- Students were exposed to the different types of construction materials used all over the world.
- They learned about the varieties of materials in different parts of India, different chemicals, admixtures and adhesives in use currently in the modern construction industry.

- They learned about the various machineries and equipment used in the construction industry.
