TO WHOMSOEVER IT MAY CONCERN

M.N.Nanda kumar

From K S School of Engineering and Management,

Has volunteered in Public Awareness on Health and Hygiene Drive which was organised by Rotaract Bangalore Uttrahalli in association with BBMP Bangarappgutta and showed exemplary work performance from September 21th, 2021 to October 05th, 2021.

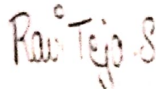

In that time, we have found her to be a reliable, enthusiastic, and creative key contributor. Her exemplary work, commitment, professionalism has helped take our organization to greater heights during her time with us. Our colleagues had a lot of learning from her experience and activities from the past. We are proud to have her with us.

If there is a choice, we would like to have her forever in our organization. She seems to have a natural personality, able to envision a creative piece. Her ability to quickly grasp is apparent and very valuable.
