A **blood donation camp** was organized in our college on **21-06-2023**. It was held in the Kavirathna Kalidasa Auditorium. All the preparations such as arrangement of beds, sanitization etc. was made.

We have conducted blood donation camp with association of Lions Club and NIMHANS Hospital.

A team of doctors and nurses had reached in time. The management Team of Kammavari Sangham such as Sri R. Rajagopal Naidu, President, Dr. K.V.A. Balaji, CEO, KSGI, Dr. K Ramanarasimha, Principal and Ramesh, Deepak Lions Blood Bank Official inaugurated the event by lighting the lamp. The students of our college besides the people of the college were participating in the camp.

The Blood donation Camp started at 10.30am and continued till 3:00 pm. Students were actively participated and donated the blood, then refreshment also provided after donating the blood.

Today in the developed world, most blood donors are unpaid volunteers who donate blood for a community supply. In some countries, established supplies are limited and donors usually give blood when family or friends need a transfusion (directed donation). Many donors donate for several reasons, such as a form of charity, general awareness regarding the demand for blood, increased confidence in oneself, helping a personal friend or relative, and social pressure. Despite the many reasons that people donate, not enough potential donors actively donate.

Whole blood is the most flexible type of donation. It can be transfused in its original form, or used to help multiple people when separated into its specific components of red cells, plasma and platelets.

The NSS Volunteers and Coordinators have supported and coordinated well to make the Blood donation camp a success.
