

(Hereinafter referred as “CADD Centre” for the sake of brevity) and represented by the Centre Head – Samdeep Soman (which expression shall mean and include the successors in office and assigns)

and

K.S. School of Engineering and Management, having its office at #15, Off Mallasandra , Off Kanakapura Rd, Bengaluru, Karnataka 560109 and represented by its HOD, Dr Vijayalakshmi (which expression shall mean and include its successors in office and assigns).

Objectives of the Collaboration:

1. To provide employable skills to the student during their course at the college.
2. Make the student aware of the latest tools and techniques at an affordable fee in order to keep them industry ready at the end of their course.
3. Maximize placement opportunities for students from all the courses.
4. To build the confidence level of the student to face the challenges of the real time.

This Memorandum of Understanding is to conduct a Unique, Step – By – Step, Systematic, and Employable Skills Development Program for the students of the college towards achieving the objective of maximizing the employable opportunities for students of the College.

This Memorandum of Understanding states the terms and conditions under which the Trainings shall be conducted by CADD Centre at the College premises and lists herein the respective responsibilities of both parties.

PREAMBLE:

For a student to be recruited by a good company, over and above the subject knowledge, he/she is expected to have the following:

1. Strong Fundamental Engineering Knowledge
2. Engineering related Multiple Technical Skills – Develop skills that adds value.
3. Project Management & Operational excellence – Learn & Acquire the Skills
4. Communication & other Soft Skills

While Subject Knowledge would be provided by the college, CADD Centre will equip the students with required industry specific technical, project management and people skills.

On one hand, thousands of unemployed Engineering graduates are not finding suitable jobs, while on the other hand. Industry requires millions of young minds at all levels but are unable to find the right candidates. This is because of the skill gap that exists between academic institutions and industry requirements. This skill gap is sought to be minimized for the students of the “College” by facilitating them to acquire the appropriate and relevant skills at the college itself.

Through this collaboration, CADD Centre will prepare the students of the “College” to be ready for industry by the time they enter the final semester and facilitate many of them to secure dream jobs. For this the students have to be nurtured and trained in different areas from the very beginning. Keeping in mind the academic program and the progressive skills development cycle in mind, the programs are spread across their semesters.

CADD Centre Shall Provide

- Comprehensive CADD Centre reference material to all students for each course as part of the course.
- The required trainers for the course and the training program would be Instructor led online/offline at campus.
- The Certificate of Completion to every student who successfully completes the training program.
- Certificate of Association from CADD Centre to the college.
- Provide permission to use CADD Centre logo as Skill Development Partner
- Welcome K.S. School of Engineering and Management to use CADD Centre strategically based on the need.

CADD Centre shall also have an extended office at K.S.School of Engineering and Management dedicated purely towards training and development. It shall invoke

Future ED into student internships on programs of CAD and other developmental activities like Coding, Digital Marketing etc which in effect will open up more Employment opportunities for the Students.

The College Shall Provide

- The required number of computer systems in the lab and other required infrastructure for the practice.
- The classrooms with LCD projector for the theory classes.
- The schedule with the classes for this training during normal hours of the college.
- The support to ensure all the students in a class, attend the training programs scheduled for them.
- The required software on their systems.
- Disciplinary support for the smooth conduct and timely completion of the entire course.

PARTICIPANTS:

- The participants would be the K. S. School of Engineering and Management students of specified branches across all semesters.

COURSE CONTENTS:

CADD Centre in consultation with the college shall finalize the course contents for the skill development program upon time. The courses covered will be as under

- 1.AutoCAD
- 2.3DS Max
- 3.Revit Architecture
- 4.Vray
- 5.Sketch up
- 6.Lumion
- 7.Staad Pro
- 8.Etabs
- 9.Project Management using MSP
- 10.Project Management using Primavera

TIME SCHEDULE:

The program will be conducted during the college working hours or on mutual agreed schedule. The students will be divided into batches depending on the total strength.

LINK OFFICER:

The HOD of the College shall appointment a link officer from civil department for the duration of the program, who shall liaise with Cadd centre and make the training process learner-friendly and effective. CADD centre shall work in a close relationship with the link officer, who in turn shall keep a close touch with the students. In the event of any difference of opinion between CADD Centre and the Link Officer, the matter should be referred to the Principal of the College, whose decision thereon shall be final and binding on both the parties.

COURSE FEES & PAYMENT PATTERN

The course fee per student for each course offered is decided and mutually agreed upon by both the parties. The College shall collect the course fee from the students and pay to CADD Centre, Banashankari (Future ED)

In the event of any student not able to attend and is missing out the entire session of classes, the college shall not make the payment towards

that student. The amount such paid is subject to tax deduction at source. K. S. School of Engineering and Management will provide certificate for the same.

JURISDICTION

All matters, queries, disputes or differences, whatsoever, arising between the parties touching the construction, meaning, operation or effect of this Memorandum of Understanding or out of or relating to this Memorandum of Understanding or breach thereof shall be settled through arbitration in accordance with the relevant Arbitration Act in force at such time. The Arbitration award shall be binding on both parties.

VALIDITY

This Memorandum of Understanding will be valid for a period of THREE years.

This Memorandum of Understanding shall come into effect from

8th March 2021.
