Dear Sir/Madam,

Sub: Copying NPTEL web and video courses to our hard disk

We are interested in establishing an NPTEL local chapter in our college. We request you to copy the NPTEL contents to the hard disks which are sent along with this letter.

We are sending 2 numbers of 4TB SEAGATE backup plus hard disks to copy the contents. Specifications: STDR4000200, Model: SRD00F1 PN:1K9ADA-570 SN: NA7T70FK and SN: NA7T11MA.

Disciplines to be copied are as follows:

1.	Automobile Engineering	10GB
2.	Basic Courses (Sem 1 and 2)	190GB
3.	Chemistry & Biochemistry	235GB
4.	Civil Engineering	735GB
5.	Computer Sc. & Engineering	831GB
6.	Electrical Engineering	568GB
7.	Electronics & Comm. Engineering	665GB
8.	Engineering Design	74GB
9.	Environmental Science	20GB
10.	General	59GB
11.	Humanities & Social Sciences	527GB
12.	Management	399GB
13.	Mathematics	506GB
14.	Mechanical Engineering	1062GB
15.	Metallurgy and Material Science	325GB
16.	Nanotechnology	75GB
17.	Physics	400GB
	Total	**6681GB**

We also request you to copy any other free (open) contents related to Library Science.

Contact details of our NPTEL representative is as follows:

💾 NPTEL Hard Disk

PROCEDURE FOR OBTAINING THE CONTENTS IN THE HARD-DISK

- We need 9TB (4TB + 4TB + 1TB) external hard-disk for copying web and video courses till date at no cost.
- Institution shall send the hard-disk through courier or they can hand-over in person.
- The institution or organization should provide :
- Letter from the institution requesting for NPTEL contents.
- Copyright form, duly signed by the head of individual institution must also be given at the time of request.
- Mention the serial number of the HDD, concerned person contact number and e-mail id in the letter.
- It will take a week time for copying the content. Institution shall be responsible for delivery and pick-up of HDD.
- Send an authorization mail to **nptel@iitm.ac.in (mailto:nptel@iitm.ac.in)** during HDD pickup mentioning the details of the person collecting the hard-disk and the person should carry any ID- proof along with them.
- For obtaining the upcoming courses, register in nptel.ac.in/institutes/institutelogin.php (http://nptel.ac.in/institutes/institutelogin.php)

VPN BANDWIDTH

- Institutes should have NMEICT bandwidth for downloading through VPN.
- For Government subsidized VPN bandwidth, please contact
- Mission Secretariat, NMEICT,
- Ministry of HRD, Shastri Bhavan, New Delhi.
- Email: pm.nmeict.pi@gmail.com (mailto:pm.nmeict.pi@gmail.com) (or) dgmofchyd@gmail.com (mailto:dgmofchyd@gmail.com) (BSNL, Hyderabad)

Click here for downloading the ⬇ NPTEL Copyright Form (copyright.pdf)

🖴 NPTEL Hard Disk

Instructions

- We have totally 518 video courses and 426 web courses in NPTEL. Totally the size is 9TB {4TB (disk1)+ 4TB (disk2)+ 1TB(disk3)}.
- Your local server Linux Platform should have a internal capacity of 10TB or more for futher updation.
- Afer installing ubuntu OS on your PC, install webserver package in your local ubuntu server using following command :

  apt-get install –y apache2   [To install apache webserver]

  service apache2 restart   [To install apache webserver]

  chkconfig httpd on   [To install apache webserver]

- Create a directory /var/www/html . And **copy all the courses only** into that directory from disk1, disk2, disk3 (HD's) which should not contain any subfolders named like Web_courses, Phase1_Video , Phase2_Video etc inside /var/www/html

  ### Alternative: If your local server doesn't have 10TB capacity, please follow the below mentioned process.

  Link the folder from mount point to /var/www/html using the following command :

  1. ln -s /disk1/1* /var/www/html/
  2. ln -s /disk2/1* /var/www/html/
  3. ln -s /disk3/1* /var/www/html/

Now, you can access NPTEL courses in the browser using your local IP or http://localhost

These steps below are to SETUP VLC plugin in your browser. If you already have the VLC player installed follow from Step 2

Step 1:
Download vlc player through internet. And install the VLC player setup.

Alternative: You may use the following command to install VLC Player on Ubuntu using the following command

1. apt-get install -y vlc
2. apt-get install vlc browser-plugin-vlc

Step 2:
Open Firefox browser and select "options" in toolbar.

Step 3:
Move to Application tab and search for media file like mp3, audio, mp4 file.

Step 4:
Choose the "MP4" file and click on "Action" column, then select "Use other" option.

Step 5:
Select VLC player as your plugin.

Step 6:
Close all instances of Firefox and Restart Firefox browser.

- The above steps are for Firefox, but similar plug in set up can be done in any browser.
- Similarly, the above steps have been defined for using VLC player.
- Any other player can also be used. The NPTEL index HTMLs may be modified by the institute, as required.

Step 7:
You should have pdf reader in your machine for displaying web courses.

Click here for downloading the Web Index (NPTEL Index.rar)

Subject: Re: Fw: Regarding hosting NPTEL course material in college website
To: principal@kssem.edu.in
Cc: Bharathi NPTEL <bharathi@nptel.iitm.ac.in>

Respected Sir/Madam,

Greetings from NPTEL, IIT Madras!
NPTEL welcomes your interest to become a Local chapter.

NPTEL has been instrumental in enabling learners to access quality content for the past few years through online medium. We would like to continue this effort by establishing regular communication with your college.

To take things ahead, we gladly share our proposal with you for setting up a Local Chapter of NPTEL in your esteemed college. NPTEL Local Chapter mainly aims to engage students and faculty from colleges across the country to utilize the NPTEL content suitably. It includes helping them to access the 1000+ courses that are uploaded on NPTEL website - nptel.ac.in.

Interested candidates can also take up online certification courses covering various disciplines.
The complete details regarding NPTEL Online Courses will be available at
https://onlinecourses.nptel.ac.in/explorer

Prerequisites to establish Local Chapter of NPTEL at a college

1. Nominating Single Point of Contact – Mandatory
2. Copying NPTEL content – Recommended

1) **Single Point of Contact (SPOC)** – Please nominate an NPTEL representative who will be the Single Point of Contact (SPOC) from your college. He/she will be the NPTEL brand ambassador and is expected to communicate regularly about the NPTEL updates to the students and the faculty. The Principal or any other higher official can send us the official letter confirming the nomination of the SPOC with his/her details -
SPOC name:
Designation:
Department name:
Email Id:
Mobile Number:

SPOC e-mail id - We suggest that you not use your personal email id; instead, create a new Gmail id in the name of your college (example: SPOC_collegename). This id will be added to a group id to which all announcements regarding online courses will be shared with.
After nominating the SPOC, the next steps for the SPOC can be found at:
http://nptel.ac.in/LocalChapter/

2) **Copying NPTEL content:** It is highly recommended that the college get the entire NPTEL Content copied from us. The 10TB hard disks are for all 1000+ courses of all disciplines.

Please note that some of the other IITs also help us copy the contents. Depending on the location of your institution, we shall direct you to send the hard disks to the nearest IIT for copying. So kindly send an e-mail to Jithakur@nptel.iitm.ac.in and nptel@iitm.ac.in and we shall connect you to the concerned authorities.

The complete details related to hard-disk (HDD) are available at: http://nptel.ac.in/Harddisk/

Note: If you are interested in only a few disciplines, calculate the size of hard disk required from the link http://nptel.ac.in/Harddisk/ and send us hard disks accordingly.

How can you utilize the NPTEL content at your college?

- You can make NPTEL content available on your college LAN
- Faculty can choose to use select videos to supplement their teaching material
- Students can take copies of interested videos and do self-learning

How to send the hard disks?
Please send the HDD either through courier or you can hand-over the HDD in person.

After copying is done:
Please arrange for a courier service to pick up the hard disks once we send you the confirmation from our office that the copying is completed. Please make a note that it will take at least 2 - 3 Weeks to complete the copying process. (The time taken will vary with respect to the queue of hard disks available at each institute)

About the on-going certification courses on NPTEL portal:
Our next round of online certification courses are open for enrollment now. The first set of courses are to begin on 23 January 2017.
Kindly share this with your students and faculty. To join the course and to know about the courses, please use the link at
https://onlinecourses.nptel.ac.in/explorer

If you have further queries, please do contact us.

Attachments:
1) Sample template for the request letter.

Thanks & Regards,
Remya

Dear Sir/Madam,

   K.S. School of Engineering and Management is a private self financed institute established in Bengaluru in 2010. We are recognised by AICTE and affiliated to Visvesvaraya Technological University of Karnataka.

   We are making use of NPTEL course videos for enhance the teaching and learning experience. Now we are interested to host these courses in our college server so that students and faculty can access them with ease.

   Is it possible to get theses video course copied to a hard disk from any of NPTEL centres so that we can host the same in our college server.

Thanking you.
